HOW TO ACTIVATE THE PROGRAM

Consumers need to contact an authorised Miche dealer.

Miche Srl does not handle requests directly.

Documentation required from the consumer:

- Original proof of purchase
- Description of the accident and damage
- Photos of the damaged rim

Dealer procedure:

- Verify the proof of purchase and that the product falls within the scope of the program
- Ensure that the damage concerns the rim and not replaceable parts (bearings, freewheel bodies, spokes)
- Verify that the damage is not purely cosmetic (scratches, superficial abrasions)
- Contact Miche Srl to request authorisation and apply the discount

KEY TERMS

- Available exclusively to the original owner and non-transferable
- Applies to wheels purchased either separately or as part of a complete bicycle
- The discount applies only to the damaged wheel, not to the wheelset

- No cash reimbursement available
- Miche reserves the right to amend or discontinue the programme at any time

REMINDER — Always remind customers to register their wheels

Product registration is free of charge and extends the warranty by an additional 2 years, which also extends Wheel Be Back coverage at 50% for a total of 4 years. Always inform customers of this option at the time of purchase and assist them with the online registration process.

Product registration on the miche.it website must be completed within **30 days** from the purchase date.
